Experience

Adjunct professor - Academy of Fine Arts of Catania 2021 - present

I teach the subject *Art of Comics* for students in the master's degree course at the Academy of Fine Arts in Catania. Through the use of the digital medium and the teaching of *Clip Studio Paint*, I train the students to master both the expressive form and the communicative techniques of the ninth art, mastering the tools and juggling the creation of a finished editorial product. I also teach the use of the web to promotion, from the creation of a portfolio to how to display it online and create networking.

Comic Book Artist, Art Director, Graphic Designer - Tora Edizioni 2018 - present

Since 2018, I have been an illustrator and author at the Roman comics publishing house Tora Edizioni, for which I've published several volumes, from artbooks to game-books. Since 2021 I'm editor and art director for a series of publishing series. I am currently working on three graphic novels, planned between 2025 and 2028.

2D artist - Stormind Games 2021 - 2024

As a contractor, I was responsible for creating *storyboard art* for cinematic and in-game animation sequences, *character designer* and *concept artist* for various characters and creatures, and *asset designer* for interactive elements during the pre-production process. Among clients: *Team17, Sabertooth Interactive, Behaviour*

2D artist - Red Raion 2021 - 2024

As a contractor, I was responsible for the creation of *storyboard art* for multimedia CGI attractions for amusement parks, with an emphasis on Fly/Dome/5D components, *character design* and *asset design* for the characters and props during the pre-production process. Among clients: *Hasbro, SimEx, Loveland Living Planet Aquarium*

Art Director, Graphic Designer, Illustrator - Freelance 2014 - present

As a freelancer, my goal has always been to give voice to the client's ideas through clear and effective storytelling, through *illustration, graphic design* and *art direction*. Among clients: *gorillaradio, Ciatu - Soul of Sicily, Cartilla, La Tabaccheria, SiQuis, Teatro Massimo Vincenzo Bellini*

Co-CEO, founder - The Creative Dot 2015 - 2020

Among the creators and founders of The Creative Dot group. Organiser of the first annual creative conference focusing on: Digital Design, Art Direction, Graphic Design, VFX, Illustration, Network and more. Born within the Academy of Fine Arts of Catania, it has become over time a reference point for creatives in Southern Italy, giving voice to dozens of creatives both nationally and internationally.
